Mission of Women's Way Resource Program

Women's Way, North Dakota's Breast and Cervical Cancer Early Detection Program, is available to eligible North Dakota women ages 40 through 64. *Women's Way* may provide a way to pay for pelvic exams, Pap tests, clinical breast exams, and mammograms. *Women's Way* is now also available to women ages 21 to 39 who meet specific eligibility requirements. Once eligible, women can make an appointment at almost any clinic in North Dakota.

To learn more about *Women's Way* or to see if you are eligible, call 1.800.44 WOMEN or visit www.ndhealth.gov/womensway.
